Dear Ladies,

It's such an exciting time in the life of our ministry! Norbeck Community Church is growing and so is our women's ministry! We have passed the half-way point of our first year of monthly bible study where we have laywomen from the congregation teaching the Word of God to other women; we have women standing on the Word of God testifying to His goodness and mercy every week; and we are in the midst of preparing for our women's conference in October! God is moving in the lives of the women at Norbeck!

We are still looking for you to register for the women's conference. At this point, we have 8 other ministries partnering with us and each of those churches is sending 10-20 of their women to the conference. Don't miss out!

If you are having financial difficulties, please let us know. We will work with you so that you can attend what promises to be a pivotal event in the life of our women!

I pray you are having an enjoyable summer. I pray you are reading and meditating on the Word. I pray that all is well in your household.

Don't forget – we come back together on September 12, 4pm. I look forward to the prayer, the praise, and the fellowship.

Blessings!

Minister Virgilla "Veeja" Maduekwe
