Letter from the editor...

Dear Sisters,

We are at the end of the first quarter of 2008, and what a blessing it has been! It is clear to me that the Lord is moving in the life of the women's ministry at Norbeck and in the body of Christ as a whole. I am honored to have the opportunity to serve in His kingdom.

I just wanted to take a moment to encourage each of you to continue to stand on the Word of God. He is able to take you through what you are going through and bring you out with the victory! Your testimony is sure to be an encouragement to someone else.

As we celebrate WOMEN'S HISTORY MONTH, take the time to do something special for our own home-grown women who are making history right now! And, please continue to pray for each other, our leaders, and the women's ministry - that we would fulfill our mission:

The Mission of the Women's Ministry of Norbeck Community Church is to collectively design, develop and implement programs and ministry opportunities to support the vision and mission of NCC as a whole, and to unify and spiritually strengthen all women of this church body in preparation for ministry to ourselves and our families and outreach to the greater community.

Blessings!
